As Mayor of the City of Warner Robins, it is with great pleasure, that I endorse the Annual Cantrell Center 5K & Fun Run, which has become a significant event in our community. Going into their 12th year, this event is the largest of its kind in the area. Our community has embraced the Annual Cantrell Center 5K & Fun Run and I am proud of the involvement that our community provides to support local businesses. This is not just a race, but a call to action for citizens to get healthy, and get up and get moving. The Cantrell Center makes this "feel-good" event possible with all of the resources they provide at no charge to those who register. With thousands coming out on race day and proceeds benefiting our local Children's Hospital, I encourage businesses to get involved and citizens to participate in this great community event.

Respectfully,

Randy Toms
